Delta 12cm Concealed Cistern with Delta50 Dual Flush Plate - White Alpine

The Geberit Delta Cistern with White Delta50 Dual Flush Plate: A harmonious blend of form and function, this concealed cistern is purpose-built for wall-hung toilets. Crafted with a leakproof one-piece blow-moulded design, it ensures durability and reliability. Rigorously tested for water tightness, you can trust it to perform flawlessly. The White Delta50 Dual Flush Plate adds elegance to your space with its easy-to-clean white surface and sleek rectangular buttons.
