Monolith WC Frame & Cistern for Wall Hung WC's - Height 1010mm

The award-winning Monolith Sanitary Module for wall-hung WC's fits any situation, easily compensating for building tolerances, connecting to existing drains and supply connections without the need for structural modifications. Made from premium safety glass & aluminium, it will provide a stylish addition to your bathroom. Monolith allows you to create a fresh and outstanding highlight in your bathroom, without disturbing the beauty of an existing wall.

Dimensions 48cm (B) 101cm (H) 10.6cm (T)
