Monolith WC Frame & Cistern for Wall Hung WC's White-

Height 1010mm

The Geberit Monolith unit & Cistern for floorstanding WC's, provide your bathroom the latest modern designer look, with the award-winning Geberit Monolith range. An elegant sleek space saving back to wall unit with integrated cistern made of high grade glass and brushed aluminium, cleverly conceals all the sanitary technology behind a high-quality glass panel. A fast and easy way to install a more aesthetically pleasing alternative to visible cisterns, as well as providing a solution for people who are unable to conceal their cistern behind a wall.
