

am112

heated towel warmer 850mm x 600mm

The AM112 is part of our extensive range of traditional heated towel warmers, finished with ball jointed details to complement our Tradition range of brassware and accessories, and is supplied for the central heating, or in dual fuel and electric only versions. As it is floor mounted only, the AM112 can be fitted almost anywhere. Available finishes include chrome, nickel, inca, and our exclusive astonite, in addition to bespoke finishes. Supplied with a 15 year warranty for peace of mind.
