

am14 heated towel warmer 720mm x 620mm

The AM14 is part of our extensive range of traditional heated towel radiators, finished with ball jointed details to complement our Tradition range of brassware and accessories. Supplied for central heating, the AM14 can be converted to dual fuel and electric only versions. The top rail overhangs to warm a towel without swamping all the heat. Supplied with a 10 year warranty for peace of mind.
