

am3 heated towel warmer 750mm x 475mm

The AM3 is part of our extensive range of traditional heated towel warmers. Finished with ball jointed details, it perfectly complements our Tradition range of brassware. Manufactured in the U.K. from solid brass, the AM3 can be fitted to both open and closed heating systems, and be supplied in both dual fuel and electric only versions. Our rails can be ordered in a variety of beautiful finishes, including chrome, nickel, polished brass, and our exclusive astonite, in addition to bespoke finishes. Supplied with a 30 year warranty.
