

# am5 heated towel warmer 970mm x 630mm

The AM5 is part of our extensive range of traditional heated towel warmers, finished with ball jointed details to complement our Tradition range of brassware and accessories. Supplied for the central heating, the AM5 can be converted to dual fuel and electric only versions. The top rail overhangs to warm a towel without swamping all the heat. Supplied with a 10 year warranty for peace of mind.
