

ambra

200mm round shower rose & 400mm arm

Our Ambra range of understated contemporary brassware is available in two brass finishes; a striking polished brass finish or a brushed brass finish. Both polished and brushed finishes can be cleaned to maintain their original look, or if left, they will tarnish naturally and assume a characterful deep patina with age.

Material solid brass
Finish polished brass and brushed brass
Min. pressure 1 bar
