

# ambra

wall mounted basin mixer 150mm spout

---

Our Ambra range of understated contemporary brassware is available in two brass finishes; a striking polished brass finish or a brushed brass finish. Both polished and brushed finishes can be cleaned to maintain their original look, or if left, they will tarnish naturally and assume a characterful deep patina with age.

Material            solid brass  
Finish              polished brass polished brass and brushed brass  
Min. pressure    0.2 bar
