

astonian 2722 exposed thermostatic bath shower mixer

Combining classic design with modern engineering, our 2722 exposed valve has a built in maximum temperature feature, and is offered with a 5 year warranty. The central handle controls the temperature, whilst the china handles operate your choice of 5", 8", 10", or 12" shower rose, and bath spout independently. Available in a variety of stunning finishes, including chrome, nickel, astonite and polished brass.

Material	solid brass
