

sailing

complete concealed thermostatic dual

shower kit with backplate

The sailing range designed by Yabu Pushelberg clearly refers to the world of water and Lake Orta, inspired by the poetic reinterpretation of the clear lines and volumes of bollards, the most common form of boat cleats, which are essential elements for securing boats to docks by rope, which this range perfectly portrays and transforms into an elegant decorative detail for the bathroom.

shower rose	240mm
shower arm	300mm
