

balocchi exposed wall mounted bath shower

mixer

Balocchi was originally created in 1978, the first series of coloured taps with enormous success on the market, this range has pop shapes and garish colours available. Then reissued in 2012 with some details updated to make their image more contemporary. This is paired perfectly with our Roma rolled top basins. Sales of the Balocchi range have contributed to the budget used by the company 100 Fontane for Africa, a project in the construction of fountains for the aqueduct built in Masango Burundi.

dimensions	15.5cm spout with 1/2" inlets
material	solid brass
finish	matt black, matt white
min pressure	1 bar
waste	not included
additional	2-way diverter inc standard handshower & easyclean hose
